

A Short History of Horror Films

Part II: 1930-1936

A Timeline of Horrors (-1950)

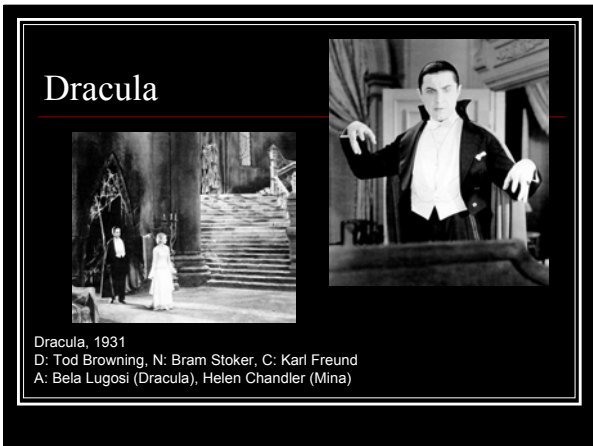

A Timeline of Horrors (1950-)

Hollywood's Monsters

The Classical Period (1930-1936)

Dracula

If I were to make over the film, I should depict Nosferatu ... not as terrible and fantastic not on the contrary in the guise of an inoffensive young man, charming and most obliging. I should like it to be only on the basis of mild indications, in the beginning, that any anxiety should be aroused in the hero's. Likewise wouldn't it be much more frightening if he were presented to the woman in such a charming aspect?

Andre Gid  on *Nosferatu*

quoted from David J. Skal, *The Monster Show*

Frankenstein

Frankenstein, 1931
